Qualification Title: National Certificate:

NEW VENTURE CREATION (SMME)

Help Us To Train 40 Unemployed Youth In An Accredited Full Qualification

The purpose of the New Venture Creation Level 2 qualification is to provide a qualification for potential and existing entrepreneurs to capitalise on opportunities to start and grow sustainable businesses that form part of the mainstream economy, enabling the learners to tender for business opportunities within both the public and private sectors. This qualification is designed for learners who intend to set up or have already set up their own ventures.

Course Curriculum

- Innovation & Creativity
- Business Communication
- Professional Behaviour
- Business Operations
- Financing in a New Venture
- Marketing Management
- Safety Legislation
- Managing Resources
- Basic Mathematical Skills
- Basic Communication Skills

Programme Outcomes

On completion, students will be able to:

- Use basic Mathematics in order to fulfil new venture functions effectively.
- Apply basic Communication skills in new venture creation context.
- Determine market requirements and manage the relevant marketing and selling processes.
- Demonstrate an understanding of the sector/industry in which the business operates.
- Determine financial requirements and manage financial resources of a new venture.
- Manage business operations.

Study Support

Students will complete their course via our world-class Learner Management System, while attending classes at a special computer room set up at Community House.

Our Student Support Team and Faculty will be on the premises to provide support throughout your course. Students will also be completing a practical component by launching their own business during their studies.

How Will You Learn

- Live Webinar sessions
- Quality course material available online
- Quizzes throughout to help them retain what you have already learned
- Practical tools to build their business from nothing
- Group Q&A sessions
- Receive their qualification upon completion of the Portfolio of Evidence for each Skills Programme.

Help Us Raise Funds

We require R50 000 per learner, which is in line with what is provided for in other learnerships. This amount will include a monthly stipend and food for each student. Any profits will be used for the maintenance and upkeep of Community House.

Duration

This is a 10 month full qualification programme. It involves regular Live Webinar sessions with expert facilitators and practical tasks to complete throughout. Students will receive their qualification from SAQA upon completion
